OFFERING RECIPIENTS

Denise England – Denise is a registered nurse from Des Moines Presbytery, in her second year of a three-year commitment serving as Consultant for Geriatric and Nursing Services at Cairo Evangelical Medical Center in Cairo, Egypt. Her main focus is assisting in initiating an on-going educational program for the nursing department that is beneficial to them as well as their patients.

Mattresses – Many of us take for granted basic comforts such as a mattress on which to rest while in the hospital. Many hospitals in the Congo have old, unsanitary wedges of foam or no mattresses at all. A portion of your offering will help PW supply every bed in our partner hospitals in the Congo with a mattress, which cost approximately \$60 each.

Cottage Grove Ave. Presbyterian Church PW Sudanese Kitchen Project – This church is located in Des Moines and has become a place of worship, gathering, assistance and social life for a community of Sudanese refugees and immigrants. Presbyterian Women of the Des Moines Presbytery are committed to helping address the serious concerns with the kitchen. A commercial refrigerator has been purchased and installed. Some funds were donated and with other loans they were able to obtain \$80,000 that was needed for a new furnace. Replacing the flooring and commercial stove/oven etc. will occur as funds and labor are received.

Fleece Baby Blankets – The Mustard Seed Project - We will be making fleece baby blankets for Linda Masey. She will bring them to Kenya on her next mission trip. We are asking you to bring 1 ¼ yard of fleece, in children's patterns or plain colors, to the gathering and we will cut and tie these blankets.
